A Gun for a Fountain Pen Jan 25 2020 The story of the Terra Nova expedition is one of survival in the Antarctic. Levick's journal adds to this record the struggles of the brave men who explored the southern continent. This very personal document provides insight into the extraordinary world in which they lived and their courage in the face of unthinkable obstacles. *A Gun for a Fountain Pen* is a lively and informal account of the conflicts and friendships that were a part of daily life in the world's harshest environment.

The Fountain of Knowledge Jan 07 2021 Fountain of Knowledge or The Fountain of Wisdom is a work containing three sections: Philosophical Chapters, 'Dialectic', it deals mostly with logic, its primary purpose being to prepare the reader for a better understanding of the rest of the book; Concerning Heresy- the last chapter of this part (Chapter 101) deals with the Heresy of the Ishmaelites. Unlike earlier sections devoted to other heresies, which are disposed of succinctly in just a few lines, this chapter runs into several pages. It constitutes one of the first Christian refutations of Islam; An Exact Exposition of the Orthodox Faith- a summary of the dogmatic writings of the Early Church Fathers. [The Ancient Secret of the Fountain of Youth](#) May 23 2022 Legend has it that hidden in the remote reaches of the Himalayan mountains lies an ancient secret. There, generations of Tibetan monks have passed down a series of exercises with mystical, age-reversing properties. Known as the Tibetan Rites of Rejuvenation, or the Five Rites, these once-secret exercises are now available to us all in *Ancient Secret of the Fountain of Youth* by Peter Kelder. Beginning with an account of his own introduction to the rites by way of Colonel Bradford, a mysterious retired British army officer who learned of the rites while journeying high up in the

Himalayas, Kelder then reveals to us the five ancient Tibetan rites that can make you feel and look younger. The philosophies in the book combine with the practical yoga-like positions of the rites and lifestyle/diet advice to provide you with the ultimate guide to preserving your youth. Taking just minutes a day to perform, benefits include increased energy, weight loss, better memory, new hair growth, pain relief, better digestion, and just feeling much more youthful!

A Fountain Sealed May 30 2020 Since the shock of the announcement, conveyed in a long, tender cable over a week ago, she had had no time, as it were, to cast up these accounts with the past. Her mind had known only a confused pain, a confused pity, for herself and for the man whom she once had loved. The death, so long ago, of that young love seemed more with her than her husband's death, which took on the visionary, picture aspect of any tragedy seen from a distance, not lived through. But now, in this long, firelit leisure, that was the final summing of it all. She was grave, she was sad; but she could feel no severity for herself, and, long ago, she had ceased to feel any for poor Everard.

From A Youth A Fountain Did Flow May 03 2023 Praise for *From a Youth A Fountain Did Flow* "Pursued by demons, a teenage girl must confront darkness and a terrible destiny in Levi's YA fantasy novel. In Washington State, 17-year-old Scarlet Singer is haunted by nightmarish shadows and a feeling of wrongness. Her bad dreams come true when her home is invaded by a monster in the guise of a man. Her mother sacrifices herself to give her daughter time to escape, and a teenage telepath named Marcus Castillo is drawn to Scarlet, sensing her distress. His grandmother, a witch named Kara, accompanies him and slaughters the demonic killer with magic, and Scarlet's perception of reality is forever changed ("I know magic isn't real, and demons are like fairytales designed to scare children. Except, I am now swayed to the argument that demons are real, and magic seems to exist despite my reservations"). Packed with demons, humans reduced to "meat suits," blood-letting and blood-drinking, witches, telepathy, time-shifting, and supernatural realms reachable through magic portals, the novel is never dull. The abundance of fantasy and horror tropes could have been overkill, but the author weaves them into a neat twist on the concepts of the fountain of youth and reincarnation. The catalyst is the 19th-century journal of a young woman named Kelby, which causes Scarlet, sheltered by a powerful Witches Council, to begin to wonder who-and what-she is, leaving her with a secret she can't share, hunted by demons and ostensible friends alike. Throughout, Scarlet's closeness to Witches Council members Marcus and the handsome Zig complicates things. Scarlet cares for besotted Marcus but resents his protectiveness and ability to read her thoughts. She is attracted to Zig but put off by his and Marcus' jealous competitiveness over her... The author effectively keeps the plot moving forward by shifting narratives between Scarlet, Marcus, Zig, Kelby's journal, an enigmatic witch named Azeltha, Scarlet's demonic nemesis, Dagon, and a few minor but essential characters. The shocker of a cliffhanger at the end signals a sequel to come. An imaginative

fantasy-horror tale anchored by a relatable teen hero, engaging ..." Kirkus Reviews "A fast-paced, intriguing, richly written puzzle box of a book. Every twist and turn left me breathless. That first paragraph grabbed me and wouldn't let me go." -Aaron Michael Ritchey, award-winning author of *The Sages of the Underpass* and *The Cunning Man* series. "This is a captivating tale about witches and demons and a battle as old as time. It is a story of love, loss, and being captured by purpose. The main character is likable and brave, and her growth as she discovers the truth about her past and her power over the future makes a story well worth reading. I highly recommend Mrs. Levi's 'From a Youth a Fountain Did Flow'" Cheree Alsop, author of the *Werewolf Academy* series. Thrust into a timeless battle between an ancient network of witches and the demon underbelly who will stop at nothing to possess her regenerating body. Scarlet Singer must decide what is worth fighting for in this life. Love, fate, and a greater destiny are all at stake. When Scarlet stumbles upon a poem written in a journal for her more than a hundred-and-fifty years earlier, she must face her greatest fears and accept the possibility that she is the fountain of youth personified. Only a Telepath named Marcus and a Void named Zig stand between Scarlet and the battle over her future. Who can she trust when both sides have enough reason to end her? If any of them knew the truth, her life would be forfeit.

The Fountain of Truth Nov 16 2021 This book, *A Fountain Of Truth*, is a result of my personal need for a book that would tell me the answer to many questions about who God is, what He is all about, what He has done, how old He is, what does He look like, what language does He speak, what are His goals, how and when will He accomplish these goals, where did I come from, where am I going, and what does He want from me? All these questions and many more are answered by the great "I Am", Himself. All this information is given, not only in written word, but also in hundreds of easy to understand illustrations from His created, natural, things. It is also given in the personal accounts of many historic role models. When I found the answers to all of these questions, then I realized that I had actually found the Fountain Of Truth. My restless spirit was satisfied and contented. I am no longer restless and searching for the answers to the questions that had caused me to feel insecure and alone. A great peace has settled over me like a great comforting blanket directly from the great God of the Bible. I believe God offers everyone a "God Blankie". The search is now over for me. I am now basking in the wonderful glow of truth. I believe the search can be over for everyone. The great security blanket is available to anyone who will read and believe God's answer book. The Bible is the absolute "Fountain Of Truth. Ten million thanks to Cate Velasquez for the labor of love in typing this on computer and saving to disc. Thanks Cate, you're the greatest. -Bud

A Fountain Sealed (Classic Reprint) Jul 25 2022 Excerpt from *A Fountain Sealed* The three people who talked, with many intimate pauses of silence, were all Bostonians, though of widely different types. The hostess, sitting in an easy chair and engaged with some sewing, was a girl of about twenty-six. She wore a brown skirt of an ugly cut and shade and a white silk shirt, adorned with a high linen collar, a brown tie and an old-fashioned gold watch-chain. Her forehead was too large, her nose too short; but her lips were full and pleasant and when she smiled she showed charming teeth. The black-rimmed glasses she wore emphasized the clearness and candor of her eyes. Her thick, fair hair was firmly fastened in a group of knobs down the back of her head. There was an element of the grotesque in her appearance and in her careful, clumsy movements, yet, with it, a quality almost graceful, that suggested homely and wholesome analogies, - freshly-baked bread; fair, sweet linen; the safety and content of evening fire sides. A Fountain Filled With Blood Sep 26 2022 In *In the Bleak Midwinter*, Julia Spencer-Fleming's Malice Domestic-winning first mystery, Reverend Clare Fergusson was quickly introduced to a more eventful life than she had expected after moving to the small town of Millers Kill in upstate New York. But the Episcopal priest and former Army Air Force chopper pilot proved to her flock—and to police chief Russ Van Alstyne—that she could cope with the unexpected, even when it was as dire as murder. In this new adventure for the two ill-matched friends (who are gamely resisting something beyond friendship), evidence shows that a small town can hold just as much evil as the Wicked City. The Chicago Tribune says "[Spencer-Fleming] pulls it off again" in *A Fountain Filled With Blood*.

A Fountain of Hope Jun 11 2021 This story is dedicated to all of those who hunger and thirst for righteousness - and to those who have prayed for many years to see our city and region transformed in a way that will see unity and love prevail. This book is also dedicated to the one I love, my Saviour who first loved me: Jesus Christ. He wooed me as a young woman in my late teens. My life was transformed from that time. This story of hope is also lovingly dedicated to my three precious children: Christopher, Michael and Summer. And, of course, this is written in honour of a man who loved me dearly and loved those he encountered daily: my late husband, Bert Petkau. Bert, you are always close to us, and you will never be forgotten. I regularly meet people who have suffered loss, felt disappointment with life, or experienced difficulties that they weren't expecting. Perhaps you are one of them. Not in a million years did I think I would go through an experience that would so suddenly change my life forever - let alone that I would write a book about it. This chronicle is a true account; the testimony of one love story ended too soon, and another story of faithful love that never ends. It is the story of the wondrous workings of the God I know called "Abba" (an Aramaic word that means "Daddy"). He is a loving Father who meets us in our most troubling circumstances and stays by our side to comfort and heal. I pray that my testimony of walking out of despair and into hope will encourage you. Welcome to my journey and I encourage you to ponder and meditate upon the scriptures, and devotional thoughts relating to my story as well as some of my poems, and lyrics from Bert's music. I've included links to the songs Bert wrote so that you can listen, and perhaps enjoy them as much as I do. - Teresa Petkau
