Summary. This revision updates and expands upon various topics regarding the law of the sea and law of war. In particular, it updates the history of U.S. Senate consideration of the UN Convention on the Law of the Sea, to include its 2012 hearings; emphasizes that islands, rocks, and low-tide elevations are naturally formed and that engineering, construction, and land reclamation cannot convert their legal status; provides more detail on U.S. sovereign immunity policy for Military Sealift Command chartered vessels and for responding to foreign requests for health inspections and medical information; removes language indicating that all USN/USCG vessels under command of a noncommissioned officer are auxiliary vessels; emphasizes that only warships may exercise belligerent rights during international armed conflicts; adds a description of U.S.-Chinese bilateral and multilateral agreements promoting air and maritime safety; updates the international law applicable to vessels seeking a place of refuge;... Designed for both the business and leisure traveler, each program is equipped with planner software that creates customized travel plans, including an itinerary and checklist; a clip and carry feature that allows users to download essential language and travel information. There is also a direct link to Prodigy on-line services for the latest weather, news, exchange rate information and favored-nation status changes. Each program includes a User's Manual and a CD-ROM disc that features instruction for basic language learning with up to 32,500 words and 5,800 recorded expressions for as many as 17 languages, travel phrases, foreign business terms, leisure, etiquette, culture and sightseeing information for as many as 24 countries and nine cities, there are also more than 50 maps that allow users to locate key attractions and points of interest. Detailed cultural information lets users learn Foreign business culture including body language, negotiating tips, gestures, and social behaviors. Add classic accessories to your toy train layout. Lionel's operating accessories from the 1940s and '50s remain popular with toy train enthusiasts. This book provides a variety of ways to incorporate them - both originals and modern reproductions - into toy train layouts. The book features track plans that incorporate the accessories, repair information, and in-depth profiles of the most popular accessories. This book constitutes the thoroughly refereed post-conference proceedings of the 4th IFIP WG 13.6 Working Conference on Human Work Interaction Design, HWID 2015, held in London, UK, in June 2015. The 15 revised full papers presented were carefully selected for inclusion in this volume. The papers reflect many different areas and address

many complex and diverse work domains, focusing on the integration of work analysis and interaction design methods for pervasive and smart workplaces. They are organized in the following sections: methodologies; environment, and specific contexts. This report is intended for engineers, architects, and skilled building operators who are responsible for analyzing, devising, and implementing comprehensive energy conservation programs. It includes energy conservation measures which can result in further energy savings of 15 to 20% with an investment cost that can be recovered within 10 years through lower operating expenses.
