A Corner of White Mar 25 2020 The first in a rousing, funny, genre-busting trilogy from bestseller Jaclyn Moriarty! This is a tale of missing persons. Madeleine and her mother have run away from their former life, under mysterious circumstances, and settled in a rainy corner of Cambridge (in our world). Elliot, on the other hand, is in search of his father, who disappeared on the night his uncle was found dead. The talk in the town of Bonfire (in the Kingdom of Cello) is that Elliot's dad may have killed his brother and run away with the Physics teacher. But Elliot refuses to believe it. And he is determined to find both his dad and the truth. As Madeleine and Elliot move closer to unraveling their mysteries, they begin to exchange messages across worlds—through an accidental gap that hasn't appeared in centuries. But even greater mysteries are unfolding on both sides of the gap: dangerous weather phenomena called "color storms;" a strange fascination with Isaac Newton; the myth of the "Butterfly Child," whose appearance could end the droughts of Cello; and some unexpected kisses . . .

A Killer Read Jul 21 2022 For the first meeting of the Ashton Corners Mystery Readers and Cheese Straws Society, six friends gather in Molly Matthews's old Southern mansion—including Lizzie Turner, a reading specialist with a penchant for mysteries. But the

mystery book club meeting becomes the scene of an actual murder when a stranger is shot-and nobody knows who the victim is, or how Molly' antique gun came to be used as the murder weapon. Then Lizzie begins finding mysterious manuscript chapters in her mailbox. As she and the book club members try to read between the lines, Molly surfaces as the next name on the killer's list...

Angel Sister (Rosey Corner Book #1) Aug 30 2020 It is 1936 and Kate Merritt, the middle child of Victor and Nadine, works hard to keep her family together. Her father slowly slips into alcoholism and his business suffers during the Great Depression. As her mother tries to come to grips with their situation and her sisters seem to remain blissfully oblivious to it, it is Kate who must shoulder the emotional load. Who could imagine that a dirty, abandoned little girl named Lorena Birdsong would be just what the Merritts need? In this richly textured novel, award-winning author Ann H. Gabhart reveals the power of true love, the freedom of forgiveness, and the strength to persevere through troubled

times. Multidimensional characters face real and trenchant problems while maintaining their family bonds, all against the backdrop of a sultry Kentucky summer. Readers will be drawn into the story and find themselves lingering there long after they've finished the book.
