At that crucial juncture Lord

Krishna, Arjuna's charioteer, decodes the majesty of Universe by revealing the secret of his SOHUM swarupe and defogs the mind of his beloved sakha, Arjuna. I love observing and analysing human nature, as it is one of the most complex creations of God. I have tried to capture these very observations into poetic form. Ravi Shankar Rajan bases his volume of poetry, Vagaries of a Lost World, on different facets of human behavior. Most of the poems describe his personal experiences and the fascinating array of people he has met in such a large country as India. In this volume, I have tried to capture strange situations and little things in life that make us laugh, cry or hate. I sincerely hope that through this work readers will experience the multitude of emotions that I have tried to elicit in this volume. Power of Love Collection of Simple talks by H.H Sri Sri Ravi Shankar on Love. Power of Love, refreshingly explores all facets of a subject that evokes a range of emotions, makes life worth living and is the basis of all existence is Love. Power of Love, refreshingly explores all facets of a subject that evokes a range of emotions, makes life worth living and is the basis of all existence is Love. There is strength in peace. There is strength in calm. There is strength in love. What you cannot win with a stick, you can win with love. What you cannot win with guns, you can win through love. This power of love often goes unnoticed; it needs to be realised. The most powerful thing in the world is love! We can win the hearts of people through love. The victory that comes out of ego is worth nothing. Even if you win in ego, it is a loss. But even if you lose in love, it is a victory! Making people realise this innermost strength that we all have, is a challenge. H.H. Sri Sri Ravi Shankar offers deep wisdom, a celebration of the Spirit of Enquiry on the spiritual path and the journey to the self. Spirit Of Enquiry is a compilation of short talks given by Sri Sri Ravi Shankar on the search of Unseen and Unknown. Enquiry (Jigyasa) is the desire deep inside the mind to know the truth, to know reality. Author holds the hands and lead the jigyasu to the ocean of knowledge and truth. The truth which beholds the grace of god and pure enlightenment. Sri Sri Ravi Shankar says if one wants to know god one has to know himself first. He says one who knows himself, who meditates, whose mind is free from tension, still, calm, hollow and empty can find the God in himself The incredible story of a film that was never made in the 1950s, when Satyajit Ray asked Pandit Ravi Shankar to compose the music for the Apu Trilogy, he conceptualized a film on the legendary sitarist. He also worked out a detailed storyboard for the film. However, for reasons unknown till now, the film was never made and the project was forgotten. Now, for the first time, Ray's storyboard is available. Together with interviews by both Ray and Ravi Shankar on various aspects of their collaboration and a scholarly introduction, this is truly a collector's edition. Biography of Sri Sri Ravi Shankar, Hindu spiritual leader Source of Life Become aware of this impermanent nature of life; that is wisdom. Being aware of this impermanent nature of ones life-the changing nature of happenings-you find that there is something in you that has not changed? There is a reference point, in comparison to which, you can say things are changing. Getting to that reference point is "being"? and that is the source of life; that is wisdom. Gurudev Sri Sri Ravi Shankar simplifies the concept of spirituality in this book, emphasising how fundamental it is to life and nothing out of the ordinary world. He explains spirituality in a manner that is relevant to one and all, from the youth to a home-maker, from a working professional to corporates Head-to-head communication happens through thoughts and words, while heart-to-heart communication happens through feelings. People, throughout the ages, have felt that they cannot communicate their feelings... Swati Varma is one of modern Delhi's more blessed inhabitants. Then on brilliant morning when the world seemed cleansed by the coming of the rains, the unthinkable happens: his pregnant wife is killed in a road accident. Devastated, Swati makes a pilgrimage back to the land of his forebears, Panayur, in the state of Kerala, to scatter his beloved's ashes in the sacred waters of the Papanasini river. Returning to this long-forgotten world, he is reunited with a childhood companion who now cares for the crumbling, ghost-filled palace that was his home. For Panayur - seemingly still free from the religious turmoil that threatens so much of the country - was once a kingdom, and Swati is the direct descendant of the its last king. As two friends talk, share memories and exchange secrets, thousands of miles away, Vel - a cousin Swati never knew he had - sets out on a quest for the truth about his family that will take him from America, to Berlin and, ultimately, to Panayur. And so begins an extraordinary and healing

journey. One that will lead both Swati and Vel back through the cruel, vibrant, myth-filled history of the kings of Panayur to the legend that lies at its heart - the legend of the tiger by the river... "Shiva tattva is total; it is complete. Shiva is where the mind dissolves. He is formless yet sees all. He is the formless core of existence and also the goal. He is the seer, sight and the scene. He is without a beginning or end. He permeates the entire creation. He is never born and is eternal. He is the fourth state of consciousness, the non-dual consciousness that is present everywhere." - H. H. Ninth century Tamil poet and founding saint Andal is believed to have been found as a baby underneath a holy basil plant in the temple garden of Srivilliputhur. As a young woman she fell deeply in love with Lord Vishnu, composing fervent poems and songs in his honour and, according to custom, eventually marrying the god himself. The Autobiography of a Goddess is Andal's entire corpus, composed before her marriage to Vishnu, and it cements her status as the South Indian corollary to Mirabai, the saint and devotee of Sri Krishna. The collection includes Tiruppavai, a song still popular in congregational worship, thirty pasuram (stanzas) sung before Lord Vishnu, and the less-translated, rapturously erotic Nacchiyar Tirumoli. Priya Sarrukai Chabria and Ravi Shankar employ a radical method in this translation, breathing new life into this rich classical and spiritual verse by rendering Andal in a contemporary poetic idiom in English. Many of Andal's pieces are translated collaboratively; others individually and separately. The two approaches are brought together, presenting a richly layered reading of these much-loved classic Tamil poems and songs. You don ' t have to wake up at 4 o ' clock and do practice, no. You do it when you ' re complete with your sleep. Don ' t strain yourself. Your inner connection can only happen when you are relaxed, not if you ' re tense. --- Be like a child, unassuming, knowing the more you know there is so much more to be known. Knowing only leads to awareness that you do not know so much more. That brings humility I ' m saying? --- Take past as a lesson, and see what you can do in the future. That is why we should take past as destiny and future as free will, that is intelligence. --- World peace comes with

individual peace. If individuals become peaceful, communities become peaceful, then the leaders of the world will also become peaceful, and we can have world peace. We need to spiritualize the politics, socialize the business and secularize the religion. --- There is no doubt that you need some money for your day-to-day survival. But money cannot buy you happiness. It ' s knowledge or wisdom that brings you happiness. --- When you make a new mistake, it is not a mistake; you have learnt a valuable lesson. But when you keep doing the same mistake over and over, it is a BIG mistake. --- If you have to get angry, get angry at bigger things, not the small usual mundane stuff. Get angry at corruption in the system and injustice happening around you. Everyone should speak out against corruption. --- Ego is feeling uncomfortable in the presence of someone else. Self-confidence is, feeling at home. Being natural is antidote to ego, and being natural is so complementary to confidence. It goes with confidence and is inseparable from confidence. --- The test of your peace is only when there are obstacles. Be thankful to obstacles. --- Take the Challenge. Whenever someone is nasty towards you, do something so nice that it takes him by surprise. --- If anyone any time feels lonely, depressed, unhappy or sad, just remember that you are not alone. --- Trust in yourself. Have faith in your choice of actions and the path you would be following. If you don ' t trust yourself, how can you trust the Master? --- Misunderstandings happen on this planet because of distance, because there is no closeness, no one ever ' sits next to ' the other. In one house, people live on different planets. In a town, people live in different galaxies.
