***Best-selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject. Step by step, he walks through the impact of God's sovereignty, our submission, the characteristics of holy living, and our assurance of salvation. The battle lines have been drawn. Is the enemy winning? "Thanks to the theory of evolution," writes best-selling author John MacArthur, "naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin popularized the credo for this secular religion. Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma." Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor, John MacArthur, believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith?the vital underpinnings for everything we believe. The Battle for the Beginning draws a clear line on today's theological landscape. "Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis. If we wobble to any degree on the truth of this passage," John MacArthur insists, "we undermine the very foundations of our faith." Paul's letter to the Romans is an inspired masterpiece of doctrine highlighting God's grace, truth, and redemption. Within its pages, the apostle shares his message of good news and***

***eternal salvation with the church, advises believers on theological truths, gives practical applications for living the Christian life, and shows how God's righteousness comes by grace alone through faith in Christ. The book of Romans underscores that Christianity is far more than just a doctrine—it is an essential road map for daily living. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur. "The greatest measuring rod of love in the life of a Christian may be forgiveness, because God showed His love to us in terms of forgiveness." ?John MacArthur Does anyone really want to forgive? Or admit that we need forgiveness? Whether we're giving or receiving, forgiveness is hard. It seems unfair. It feels unnatural. And as best-selling author and pastor John MacArthur demonstrates, forgiveness apart from Christ is unnatural. It is only as we understand our need, Christ's power and example, and what it really means to love that we can embrace two of the most liberating acts of love: forgiving and being forgiven. The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth. In The Truth About series, he now gathers his landmark teachings about core aspects of the Christian faith in one place. These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith. Abraham is known as the "father of Israel" because God appeared to him and promised that his descendants would become a great nation. Yet Abraham is much more than the patriarch of a select group of ancient people. Through Abraham's descendants, God's own Son, Jesus, was born. It's through Abraham that God blessed all people. In this study, pastor John MacArthur will guide you through an in-depth look at the historical period beginning with Abraham's call from God,***

The events that occur in the book of Job present readers with a profound question: "Why do the righteous suffer?" Although a direct answer to this question seems important, the book of Job does not set forth such a response. Job never learned the reasons for his suffering. In fact, when God finally confronted Job, he could only put his hand over his mouth and say nothing. His silence underscores the importance of trusting God's purposes in the midst of suffering, because suffering—like all other human experiences—is directed by perfect divine wisdom. In this study, pastor John MacArthur will guide you through an in-depth look at the defining themes and interpretative challenges in Job. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In The Truth War John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. Strange Fire What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested. What is authentic faith? The Gospel According to Jesus challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obedience. John MacArthur tackles the error of "easy-believism" by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are**

***saved by grace through faith alone? The Gospel According to Jesus is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message—that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ. An urgent letter to the early churches in Asia Minor, Galatians expresses Paul's concern for the spiritual welfare of the early believers. The central doctrine of Christianity was being undermined and confusion was growing as false teachers attempt to salvage the truth and integrity of the gospel, Paul penned Galatians—a book that would encourage hundreds of generations of Christians to remain steadfast in their faith. While contrasting grace and law, faith and works, Paul defends the theological and practical implications of Christianity and encourages believers—then and now— to live a holy life that bears much fruit. ***MacArthur shows how worshipping can become a part of life, how one can continually honor God. Here is a book that will challenge readers to realign their priorities in a totally new way-God's way. The book of Revelation unveils Jesus Christ in glory. The apostle John wrote this letter to the churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides. This book was a reminder to them that God saw their hardships, cared about them, and would reward them for their faithfulness. Through the use of vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. John's message of hope in Revelation assures Christians that God is in sovereign control of all past, present, and future events. He encourages believers to trust that Jesus Christ will judge the lost and will rule in ultimate victory over all human and demonic opposition. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.***
