[Moomin Book Six](#) Apr 29 2020 The first volume to be drawn and written by Lars Jansson After the multifaceted Tove Jansson quit the daily grind of the newspaper comic strip, the reins were picked up by her younger brother, Lars, who-not being an artist-taught himself how to draw so that he could continue bringing the Moomin charm to millions of readers around the world. He wrote and drew the strip from 1961 to 1974. Without missing a beat, the transition from Tove to Lars was seamless. The delightful and gentle skewering of life's foibles continued with such antics as Moomin becoming a vegetarian; the genie from a magic lamp bringing stolen diamonds; a railway through Moominvalley turning into a roller coaster, and, of course, hijinks with international spies invading Moominvalley.

**Multiliteracies and Early Years Innovation** Jan 07 2021 Multiliteracies and Early Years Innovation: Perspectives from Finland and Beyond brings together internationally renowned scholars to investigate and reflect upon the significance of introducing multiliteracies in the education of children (0-8 years old) and the challenge of enhancing professional development opportunities of early years practitioners. The book brings together curriculum innovation and reform and the changing media ecology of young

children's learning lives in a single volume. It provides insights into Finnish early years education in terms of policy, practice, and research with a specific focus on the enhancement of children's multiliteracies. Case studies from around the world explore co-developing practices between researchers and teachers, the development of communities and the ways in which different classroom interventions draw on new kinds of teacher knowledge. This book will appeal to academics, researchers, and postgraduate students with an interest in early years education, literacy education, the sociology of digital culture, school reform, teacher education, and comparative education.

**Tove Jansson Life, Art, Words** Jun 23 2022 The Finnish-Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories, written between 1945 and 1970 and still in print in more than twenty languages. However, the Moomins were only a part of her prodigious output. Already admired in Nordic art circles as a painter, cartoonist and illustrator, she would go on to write a series of classic novels and short stories. She remains Scandinavia's best loved author. Tove Jansson's work reflected the tenets of her life: her love of family (and special bond with her mother), of nature, and her insistence on freedom to pursue her art. Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising. If her relationships with men foundered on her ambivalence towards marriage, those with women came as a revelation, especially the love and companionship she found with her long-time partner, the artist Tuulikki Pietilä, with whom she lived on the solitary island of Klovharu. In this meticulously researched, authorised biography, Boel Westin draws together the many threads of Jansson's life: from the studies interrupted to help her family; the dark shades of war and her emergence as an artist with a studio of her own; to the years of Moomin-mania, and later novel writing. Based on numerous conversations with Tove, and unprecedented access to her journals, letters and personal archives, *Tove Jansson: Life, Art, Words* offers a rare and privileged insight into the world of a writer whom Philip Pullman described, simply, as 'a genius'.

**Moomin Book 3** Dec 30 2022 Moomin has been swiftly making its way into the hearts of North Americans ever since Drawn & Quarterly began collecting the strip in 2006. It debuted in the London Evening News in 1954 and has become the fastest-selling D+Q series to date. Fifty years ago, Jansson's observations of everyday life — whimsical but with biting undertones — easily caught the attention of an international audience and still resonate today. This third volume returns to Moominvalley, where its beloved inhabitants get tangled up in five new stories. Moomin falls in love with a damsel in distress, an unseasonably warm spell turns the valley into a tropical rainforest, and a flying saucer crashes into Moominmamma's garden. Moominpappa decides to live out his dream of occupying a lighthouse and writing a great seaside novel, only to discover that he hates the sea so close up and has no interest in writing about it, and a variety of curious clubs spring up in the valley. Moomin and Moominmamma do their level best to avoid the whole mess but, of course, get drawn into the muddle.

*The True Deceiver* Aug 02 2020 Deception—the lies we tell ourselves and the lies we tell others—is the subject of this, Tove Jansson's most unnerving and unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, *The Summer Book*, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody's talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children's book illustrator, appears to be Katri's opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna's life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.
