Legal Aspects of California Real Estate Aug 27 2020
Materials in this text describe the processing of acquiring an interest in, owning, and ultimately

disposing of real property. Each chapter is designed to stand alone, and can be offered in any sequence or divided into several class sessions if desired. The order of topics as presented allows the student to develop, in logical progression, an understanding of the legal aspects of typical real estate principles before applying them to specific situations.

California Real Estate License Express: All-in-One Review and

Testing to Pass California's Real Estate Exam Apr 15 2022
Features of California Real Estate License Express (CA-RELE):
General Principles & Law Key Point Review (60 pages)
California-Specific Principles and Laws (56 pages)
Real Estate Math Key Formula Review & Practice (17 pages)
General Real Estate Practice Tests (500 questions)
California State-Level Practice Tests (90 questions)
California Practice Exam (150 questions)
We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the California Real Estate License Express (CA-RELE)

the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. CA-RELE is comprehensive in that it contains both key content review and testing practice. And the text review is California-specific - not just simplistic generic content, but terse, relevant and accurate state laws and regulations presented in a well-organized set of 'key point reviews' which are ideal for pre-test memorization. Finally, our real estate principles and practices content, as well as our question selection, is further

tailored to the state testing outline promulgated by the California Department of Real Estate (DRE). Therefore, the selected legal points and test questions reflect the topic emphasis of your California license exam. A word about the test questions... CA-RELE's testing practice section consists of ten general practice tests, three California state law tests, and one state exam simulation test. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix.

To enhance your learning and preparations, each question's answer is accompanied by a brief explanation, or "rationale" underlying the correct answer. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your California real estate exam. So good luck!!

California Real Estate Exam Guide Feb 01 2021

Help your students pass the licensing exam the first time with California Real Estate Exam Guide. Written by veteran real estate professional and trainer Minnie Lush, this must-have text helps students conquer exam anxieties with its multiple learning tools and thorough coverage of California exam topics.

California Real Estate Practice May 04 2021 This volume intends to ensure that today's real estate practitioners in the

state of California are equipped with the knowledge and tools needed to be successful. It explains the body of real estate law and ethics that are critical to the daily practice of real estate. With an emphasis on fair housing, full-disclosure and laws governing real estate licensees, it instructs agents on how to perform vital real estate procedures. The authors reveal effective ways to use current technology such as the Internet, e-mail and computer technology to greatly enhance an agent's ability to deal with an increasingly technologically savvy public. It also teaches users how

to perform important real estate procedures such as filling out a listing agreement, preparing presentation packages, as well as the real estate practitioner's role in procedures including obtaining escrows, tax and title information and financing. Finally, the many employment options for California real estate professionals are explained in detail.

California Real Estate Law Dec 31

2020 This book provides not only the theories of basic law, but also the topics and techniques that readers need to apply the law in

actual situations. It offers in-depth coverage of the four areas faced most often in practice -- leases, deposit receipts, listing agreements and deeds of trust -- featuring an up-to-date list of actual, relevant case profiles that bring the law to life. Reflected throughout the book are many recent changes in law -- such as the elimination of justice courts, dollar amount changes of many statutes, etc. -- as well as topics of interest to today's legal professional -- such as alternate dispute resolution (including arbitration and mediation), toxic waste, environmental

control and more.
